

# LIVE UNITED

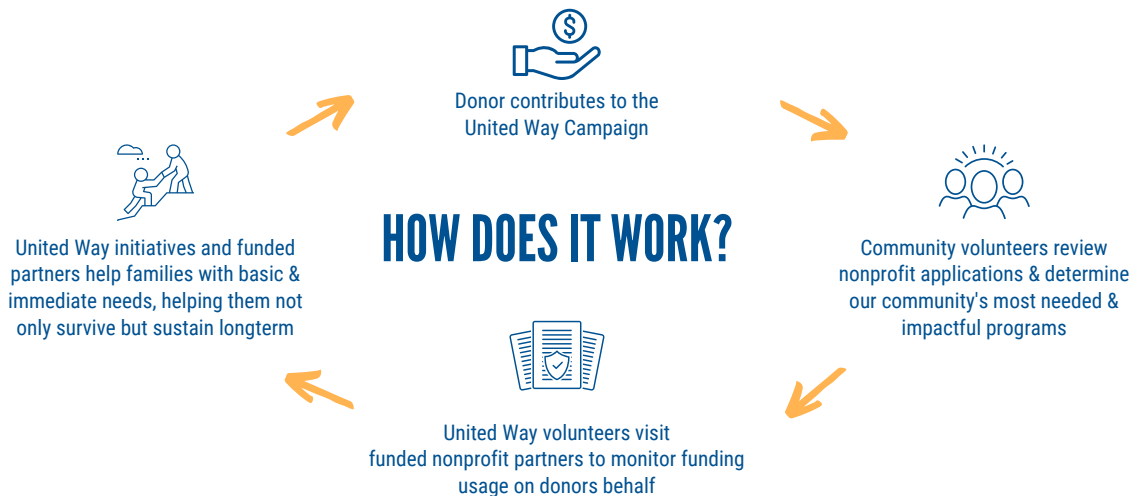

United Way  
of the Ouachitas

## MISSION

United Way of the Ouachitas will unite people and resources to build a stronger community and create lasting positive change. As the community collaborator, we will facilitate initiatives to eradicate childhood hunger and will do this through **EDUCATION, EXPANSION, ENGAGEMENT, EMPOWERMENT and EXECUTION.**

## VISION

United Way of the Ouachitas envisions a community where all individuals and families achieve their full potential through education, financial stability and health and safety. A community where the issue of childhood hunger and poverty ends through financial empowerment and education and the quality of life improves for all its citizens.
